INTERNSHIP CERTIFICATE & REFERENCE LETTER

TO WHOM IT MAY CONCERN

This is to certify that Ms. Aashi Shah successfully completed a four-week internship with LB Tex Pvt. Ltd. as a Textile Manufacturing & Business Operations Intern. The internship was undertaken during her Grade 11 school break from June 20th to July 17th 2026, with a commitment of 30 hours per week for four weeks, totaling 120 hours.

During the internship, Aashi was given structured exposure to the operations of an integrated textile manufacturing business. Her learning covered denim and other textile products, weaving and manufacturing processes, processing and finishing, quality systems, merchandising, production planning, supply-chain coordination, and the commercial aspects of textile operations.

The program was designed to help her understand not only how textile products are manufactured, but also how different functions work together to serve customers and operate a business. She observed the progression from product and raw-material understanding through manufacturing, processing and quality, and then into merchandising, planning and broader business operations.

Aashi showed particular interest in the relationship between product development, customer requirements, operational decision-making, sustainability, and business performance. She approached the internship with curiosity, discipline, and a willingness to learn across both technical and managerial functions. She interacted respectfully with team members, asked relevant questions, and made a sincere effort to understand the practical considerations behind day-to-day business decisions.

Her exposure at LB Tex complemented her broader interests in business, management, sustainability, design, and the textile and fashion industry. We believe the experience provided her with a valuable practical foundation and a better understanding of how an integrated manufacturing organization functions in a competitive business environment.

We are pleased to certify the successful completion of her internship and wish Aashi every success in her future academic and professional pursuits.
